

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 4635

IN THE MATTER OF:

Served July 18, 1995

DIPLOMAT LIMOUSINE AND LIVERY )  
SERVICE, INC., Motion to Accept )  
Tariff for Filing )

Case No. MP-95-72

By motion filed July 12, 1995, Diplomat Limousine and Livery Service, Inc. (WMATC Carrier No. 176), asks the Commission to waive the requirements of its Regulation No. 55 (Tariffs) to the extent necessary to accept for filing Diplomat's Contract Tariff No. CT-11.

Diplomat's Contract Tariff No. CT-11 does not meet the requirement of Regulation No. 55-08(c) that a contract tariff remain in effect for at least 60 days. Moreover, it does not meet the 7 calendar day notice requirement of the Compact, Title II, Article XII, Section 15(b).

The Commission may waive a requirement of its regulations for good cause, and the Compact provides that the Commission may order an earlier effective date for a tariff.

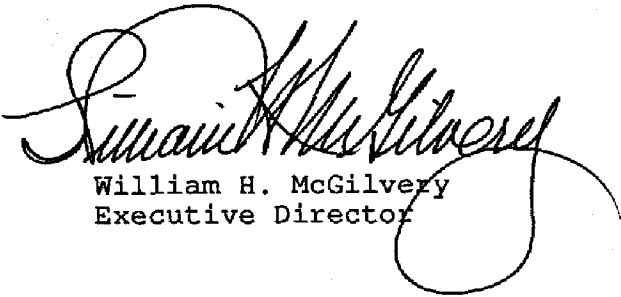

Upon consideration of the motion, the supporting documents submitted with the motion, and the proposed tariff, the Commission grants the relief sought, for good cause shown.

THEREFORE, IT IS ORDERED:

1. That the motion of Diplomat Limousine and Livery Service, Inc., is hereby granted only to the extent necessary to accept for filing its Contract Tariff No. CT-11.

2. That the above-referenced tariff shall be deemed effective July 3, 1995.

BY DIRECTION OF THE COMMISSION; COMMISSIONERS ALEXANDER, LIGON, AND SHANNON:

William H. McGilverey  
Executive Director
